Subject: Verification of VAT Registration Number

Dear Valued Customer,

We wish to draw your kind attention to an important matter concerning the Value Added Tax (VAT) registration details associated with your SLTMOBITEL account. As part of our commitment to ensuring the accuracy of your billing records and to facilitate your compliance obligations with the Inland Revenue Department (IRD) of Sri Lanka, we are currently undertaking a systematic review of VAT registration numbers maintained in our systems.

Our records indicate that the VAT Registration Number currently reflected against your account, as referenced above. It is essential that this information is accurate and up to date, as any discrepancy may have implications on your VAT input credit claims and compliance standing with the Inland Revenue Department.

We kindly request you to verify the VAT Registration Number indicated in this letter against your official VAT certificate issued by the Inland Revenue Department.

Should you find that the number on record is incorrect or requires an update, please submit the corrected VAT Registration Number along with a copy of your valid VAT Certificate to the following email address on or before 26th June 2026.

Email address: shavindri@slt.com.lk

Please note that if we do not hear from you by the stipulated date, we will consider the VAT Registration Number on record as confirmed. Sri Lanka Telecom PLC regrets that it cannot be held responsible for any implications arising with the Inland Revenue Department due to unnotified inaccuracies.

We appreciate your prompt attention to this matter and thank you for your continued patronage of Sri Lanka Telecom PLC.

Yours sincerely,

Sri Lanka Telecom PLC
